

# On-Time Renewal for Troop Leaders

May 1 - June 30, 2017

MyGS, your Girl Scout Member Community, is a one-stop shop to renew Girl Scout membership online, update your contact info, and make sure your volunteer roles are correct. To access your MyGS account, go to [www.gsnim.org](http://www.gsnim.org) and click on MyGS or Sign In. The direct link is <https://gsmembers.force.com/members/login>

## How to renew your troop:

Renew ALL the members in your troop at one time! The process has never been faster or easier:

1. Login to your MyGS account
2. Click the Member Profile button
3. Select the Troops tab. If you have more than one troop, select the troop you will be renewing.
4. In the upper right hand corner, make sure you have selected Next Year in the dropdown box.
5. For each member you would like to renew, select 'Renew' from the drop down under the Renewal Choice column. If you have girls who are not sure and you don't want to register them now, choose 'I'll decide later'.
6. If you are adding a girl or adult member to your troop, select from the drop box at the bottom of the page and click Go. Once their profile information is added, click Continue.
7. Enter payment information, review your order and print your itemized receipt. You're all set for next year!

Note: Remember to check girl grades when renewing, as they may appear wrong. If so, please let the Answer Center know so they can be fixed. Also, the new VTK year plan begins on July 1, and co-leaders will need to be renewed to have access.

**Adult Renewal & Background Checks:** Adults that renew membership and select a role that requires a background check will automatically be prompted to complete one if they need an update.
