

The Power of One

Earn bragging rights to being SUPER COOL,
a unique patch, AND a special feature on our website!

The Power of One program is all about having a great Girl Scout experience as an IRM. You even earn a patch for it too – how cool is that?! Here's the deal: after completing each activity, add a sticker, stamp, or other checkmark. When you have everything marked, ask your adult to submit the checklist and evaluation found on our website.

Have **fun** and be prepared to experience the **Power of One**!
