

# 2021 ADVENTURE POINTS

**HOW ADVENTURE POINTS WORK:** Adventure Points are cumulative and can be mixed and matched from multiple levels. For example, if a girl earns 5 Adventure Points, she could choose 1 item from the 5 AP level or 1 from the 2 AP level and 1 from the 3 AP level. As long as all of your Adventure points add up to your total earned. Girls will be contacted by GSNI-M after the Cookie Program ends to choose how she wants to spend her Adventure Points.
