

Girl and Parent/Guardian 2021 Fall Product Program

Oct 1, 2021 – Oct 31, 2021

IMPORTANT DATES

ASAP - Turn in **Girl Permission Slips** (complete one online form for all girls in the household –one form is good for both Fall Product 2021 and Cookies 2022): <https://gsnim.wufoo.com/forms/z1q7ezxt1i5hzlq/>

October 1st - Online ordering and Order Card sales start – An email will be sent inviting you to register with M2, our Fall Product vendor.

You can also register directly on the website: www.gsnutsandmags.com/gsnim

(This is a pre-paid program, please be sure to collect payment at the time of the order. **GSNI-M does not accept checks.** Customers can order and pay online as well – see page 2.)

October 31st – Fall Product order taking and online sales end – Girls/Parents should enter the orders from the order card and make reward choices into the M2 system. **Payment is due to troop leaders November 1.** (Please give the amount due to your leader or to the person who is in charge of Fall Product for your troop, make sure to get a receipt for payment made.) **Keep your money receipt and order card in a safe place until product and rewards are received.**

Product & Reward will be delivered to the Service Units in November– Troop Leaders will be notified when product is ready for pick up. Troop leaders will sort products and rewards by girl, and then notify parents of the individual pickup procedures. Verify products you receive for girl delivery (both nut card and online girl delivery orders), **get a receipt**, and verify correct reward items are received as well.

WAYS TO PARTICIPATE :

Online

Girls are encouraged to send emails out to friends and family. Online your customers will be able to choose between many Magazine and Nut & Candy options.

Magazines:

Customers can order magazines through the online site and pay via credit card. Magazine subscriptions can be new or renewals, and digital magazine subscriptions are also available. Subscriptions start at \$10.00 for some titles.

Nuts & Candy

-Your customer may choose “**girl delivery**” to order product and digitally pay for the items that are available for purchase on the order card. Girl Delivered Items will be delivered to the Service Unit with the items that are ordered through the order card in November and you will be responsible to deliver the product to the customer. **The benefits of the online option are that your customer does not pay shipping fees and you do not need to collect payment because it has been paid online.**

-Your customer also has the choice to pay for shipping and have items shipped directly to them. The benefits of this option are they can select from all of items that Ashdon Farms carries (more items than what are on the order card) and items ship quickly.

Nut Store Shipping reminders:

- Shipping costs vary based on the total retail amount purchased.
- Standard shipping will take 5 or less business days depending on customer's shipping address.
- Expedited shipping (2 day) will be recommended (not required) for orders containing chocolate items.

In Person

Nut and Candy Order Card: Girls will ask friends and family if they would like to support their troop by purchasing a nut or candy item. If yes, girls will fill out the nut & candy order card with contact information and quantities of items and collect payment. Product delivery is handled by the girl/parent at the end of November.

Remember all orders must be accompanied by money!
