

Application for Camp Scholarship

- Please complete a separate form for each applicant.
- Scholarships are applied to base camp fees only. Add-on fees (indoor sleeping, etc.) are not covered by camp scholarships.
- Scholarships will be distributed based on need until funds are fully allocated and are offered for one camp per camper per camp season.
- Using Cookie Dough for camp is strongly encouraged. Cookie Dough earned will be taken into consideration before scholarships are applied.
- Incomplete applications will be returned. Completed applications are processed in order received.
- Remember to submit your camp registration form and deposit of \$20 or \$40 (depending on session). In order to secure your spot in a camp session, a deposit is required even if you request a scholarship. If no deposit is made, a camper will not be registered for a session until scholarships are finalized, which is after the Cookie Program is completed and Cookie Dough amounts are calculated. Some camps fill quickly, so you may lose a spot if you don't make a deposit.

The council reviews all requests singularly and objectively, and applicants can be assured that their information will remain confidential. Scholarship funds are donated by those interested in helping every girl develop courage, confidence, and character through a variety of experiences.
