Bird Feeder

Supplies:

- 4 cups birdseed
- $\frac{3}{4}$ cup flour
- 2 (.25 ounce packet of unflavored gelatin)
- 3 tablespoons corn syrup
- $\frac{1}{2}$ cup water
- Cooking spray
- Parchment lined baking sheet
- Skewer
- Thick sided cookie cutter

Steps:

1. Mix together the dry ingredients (Bird seed, flour, and gelatin mix) in a bowl
2. Stir in the wet ingredients (corn syrup and water). You will probably need to use your hands to get it sufficiently mixed)
3. Spray a cookie cutter with cooking spray
4. Press the bird feed mixture into the cookie cutter. Use a skewer to make a hole
5. Gently remove the cookie cutter
6. Allow to dry overnight
7. String a ribbon through it and give it away or hand it in your trees.
