GIRL SCOUTS LAUNCH ANNUAL FALL PRODUCT PROGRAM

(Fort Wayne, IN) – Girl Scouts of Northern Indiana-Michiana (GSNI-M) has launched its annual Fall Product Program, which will run through October 30. The annual sale allows girls to hone their business skills by offering family and friends the opportunity to purchase delicious nuts, chocolates and magazines.

Girls will be taking orders both in-person and online. Customers can choose to have items shipped directly to them, or they can select from a group of nut and chocolate products that girls can deliver. Items range in price from \$6 to \$11. Some popular items returning to this year’s lineup are Deluxe Pecan Clusters in a Holiday Tin, Dark Chocolate Peppermint Pretzels and Hot Cajun Crunch.

Customers may also participate in the “Care to Share” program, in which each \$6 donation provides one can of nuts to men and women in public service.

During the month, girls will learn and practice the five skills of entrepreneurship: goal setting, decision making, money management, people skills and business ethics. All proceeds stay local to benefit the GSNI-M council, and troops earn funds to use for activities, trips and community service projects.

To get connected to a local Girl Scout, please contact frontdesk@gsnim.org or 1-800-283-4812. To learn more about Girl Scouts and register, visit www.gsnim.org.

We Are Girl Scouts

Girl Scouts bring their dreams to life and work together to build a better world. Through programs from coast to coast, Girl Scouts of all backgrounds and abilities can be unapologetically themselves as they discover their strengths and rise to meet new challenges—whether they want to climb to the top of a tree or the top of their class, lace up their boots for a hike or advocate for climate justice, or make their first best friends. Backed by trusted adult volunteers, mentors, and millions of alums, Girl Scouts lead the way as they find their voices and make changes that affect the issues most important to them.
