

# Be a Super Starter Troop

Earn bragging rights to being SUPER COOL, a special patch, AND a special feature on our website!

The Super Starter program is all about having a great troop experience AND you earn a patch for it too – how cool is that?! Here’s the deal: after completing each activity, add a sticker, stamp, or other check. When you and your sister troop members have everything marked, ask a leader to submit the checklist and evaluation found on our website. Have **fun** and be prepared to be a **super cool troop!**
