All Member Early Bird Event:

Kristen Bell is partnering with Girl Scouts for a member-exclusive virtual event on **May 19th!** This event is only available to members who have EARLY BIRD renewed by May 13. Kristen has written 2 books about purple people. The themes align with Girl Scout values by encouraging children to ask questions, use their voice, work hard, and be themselves – all while laughing and having fun!

Registration for the event is free but required by May 13. Check out the GSNIM website for event registration and information.

Girl Early Bird Incentive:

Each week, there will be a drawing for a prize that every EARLY BIRD girl is eligible to receive. Once you win a prize, you will be removed from future drawings but, the earlier you renew, the more chances you have of winning!! Must be renewed by 6/30 no exceptions. Please keep in mind that technology can be a fickle beast so last-minute renewals might not serve you well. ☺
