

Girl Rewards

Amazon Voucher

When a Girl Scout earns and chooses the Amazon Gift Voucher reward, here is how it works!

1. Caregiver receives email from Amazon with a link to the catalog.
2. In the email, click "Apply Voucher."
3. Login to the Amazon account your Girl Scout will be using.
 - a. Note: the voucher cannot be moved to another Amazon account once it has been applied.
4. Click "Apply Voucher" once logged into the account.
5. A pre-approved list of items will appear after applying the voucher.
6. Start shopping!

FAQ's:

Can my Girl Scout purchase items not on the pre-approved list?

While shopping the list, items not pre-approved can be added, but will not be part of the voucher and must be paid for with personal funds. Vouchers are only good for pre-selected items.

Do vouchers expire?

Yes. You will see an expiration date on the Amazon site after you apply the voucher.

What happens if my Girl Scout's order total is more than the voucher earned?

If the total exceeds the voucher, you will have an opportunity to cover the remaining balance using your own payment method.

What happens if I want to return my items?

Items can be managed and returned for your order like any other Amazon order. Orders are subject to the Amazon standard return policy and process.

If I don't spend the entire voucher, do I get to keep the remainder?

A Girl Scout can purchase multiple items with her voucher. Girl Scouts will receive reminder emails if they have any remaining balance. Once the expiration date passes, any remaining balance is forfeited.

Is an Amazon account required?

Yes. After viewing the voucher, either sign in to an existing account or create a new one.

Are there shipping charges?

Standard Amazon shipping charges apply. Like any Amazon order, a Prime account will not apply shipping.

Care to Share

Did you know your customers can purchase items that will be donated to our local military?

How it works:

- Customers purchase a donation, called 'Care to Share.'
- No items are sent to the customer; no delivery is made to the customer by you.
- In December, donated nut and candy items arrive at the Fort Wayne Office.
- Nut and candy items are distributed to local military bases, who share with military men and women at home and overseas.
- Care to Share items count towards items you sell, just like items customers purchase for themselves.

Our military gets a sweet surprise; you get rewards. A WIN-WIN!

Create your product pitch to share with your customers so they know how they can be a part of giving back!!
