Accessing Cookie Trainings

From gsnim.org click MYGS and login. Click “my account” and search for gsLearn in the dropdown. Click and enter the training portal. Look for the Thin Mint cookie, under the category “in progress” or “not started,” depending on whether you’ve taken product trainings before. Click on the cookies and find the training marked “438 MY26 Cookie Program.”

More resources can be found within the learning path under “Additional References.”
